

**CORINTHIAN  
MARINE  
CARPET**

**Care and Cleaning Instructions**

**Congratulations on the purchase of your Genuine AquaMat® by Corinthian Marine Carpet. AquaMat® carpeting is manufactured from solution-dyed fibers that provide the maximum UV stability and stain resistance available for marine applications.**

**ENJOY YOUR AQUAMAT® FOR YEARS TO COME BY FOLLOWING THESE SIMPLE CARE INSTRUCTIONS:**

**DO**

- ✓ Regularly vacuum or hose off your AquaMat® to prevent soil from becoming embedded and to maintain carpet color and appearance
- ✓ Use a standard carpet cleaner if your AquaMat® becomes soiled
- ✓ Allow your AquaMat® to dry completely before storing
- ✓ Dry your AquaMat® face up or by hanging
- ✓ For AquaMat® storage, always roll with carpet facing out

**DO NOT**

- ✓ Do not fold your AquaMat®
- ✓ Do not roll your AquaMat® while wet
- ✓ Do not store your AquaMat® when wet
